ARTICULATED CREDIT EXPLANATION

If a student has completed one of the five Programs of Study below with a grade of C or better and one semester (12 hours) at ASUMH, the following eligibility for ASUMH college credit applies as listed on the individual Programs of Study descriptions.

This articulated credit applies to an Associate of Applied Science degree. The agreement exists between MHHS Career Academies and ASUMH.

One exception: In the CAB Business and Financial Management, the two requirements that receive credit for Principals of Accounting IS a 3 hour course that will transfer to 4 year institutions.

To receive the credit, the student must see the ASUMH registrar with his/her high school transcript after completing one semester at ASUMH to verify completion of the Program of Study and have the credit noted on his/her college transcript.
